

LORCA: MAIN FEATURES AND USP's

LORCA is a Work Space and Library Table collection, designed by Abad Diseño. It is composed by different dimension tables and the necessary accessories for this type of spaces.

The main **USP's** of LORCA are:

- **Singular design:** the unique legs of LORCA Table (copied since it was launched...) define the singularity of LORCA Table, making it different from the existing usual proposals in the market.
- **Complete collection:**
 - The system offers a wide range of dimensions from individual work tables (180x100 cm) to meeting tables with almost impossible dimensions (350x130 cm).
 - It includes the necessary accessories for electrification.

Materials:

- Frame: Solid Oak Wood
- Top: Oak Chipboard Veneered

Models: Office, Meeting or Library Tables

Spaces where fits perfectly:

- **Offices**
- **Home Office**
- **Coworking spaces**
- **Libraries**
